

Quarterly highlights published by the Standards and Fundamental Principles and Rights at Work Programme of the ITC-ILO, Turin

TRAINING CALENDAR

➤ **Indigenous and Tribal Peoples Issues: Rights and Good Practices**
25-29 September 2006
Turin (Italy)
English

The course is designed for an audience with an interest in indigenous and tribal peoples' issues and focuses on ILO Convention No. 169.

➤ **International Labour Standards for Employers' Organisations, with a Special Focus on Freedom of Association**
28-29 September 2006
Kiev (Ukraine)
English and Russian

The course is designed for employers' representatives with an interest in examining the usefulness for their organisations of the ILO supervisory mechanisms, with particular reference to the work of the Committee on Freedom of Association.

➤ **The Domestic Application of International Labour Law with Special Focus on Freedom of Association and the Protection of Salaries**
2-5 October 2006
Kiev (Ukraine)
English and Russian

The course is designed for magistrates and lawyers dealing with labour litigation, in particular in the field of freedom of association and the protection of wages, by examining the prospects of use of the relevant ILO instruments by national judges.

➤ **International Labour Standards Reporting: Child Labour Conventions (Conventions No. 138 and 182)**
16-20 October 2006
Turin (Italy)
English and French

The course is designed for an audience with an interest in the elimination of child labour and focuses on ILO child labour Conventions (Nos. 138 and 182).

➤ **International Labour Standards and Globalization: Tools for the Globalized Marketplace**
6-17 November 2006
Turin (Italy) and Geneva (Switzerland)
English and French

The course is designed for an audience with an interest in fundamental principles and rights at work and their associated international labour standards as tools that are being used in meeting the challenges of a globalizing world.

➤ **International Labour Standards for Judges, Lawyers and Legal Educators**
13-25 November 2006
Turin (Italy) and Geneva (Switzerland)
English and French

The course is designed to equip law professionals with the instruments enabling them to use international labour law elements at national level.

➤ **Child Labour and Education: A Capacity-Building and Training Workshop**
27 November-1 December 2006
Turin (Italy)
English

The course is designed for an audience with an interest in the role of EFA ("Education for all") in supporting the elimination of child labour, with a high focus on the issue of combating child labour through education.

LAST PUBLICATIONS

Guide to International Labour Standards, 2006, 283 pp.
English, French and Spanish

The guide summarizes the international labour Conventions and Recommendations grouped by subject. It includes a CD-ROM.

Employers' Organizations and the ILO Supervisory Machinery, 2006, 233 pp.
English, French and Spanish

The publication promotes the employers' rights by describing the ILO supervisory machinery. It includes a CD-ROM.

Training Materials for a Global Alliance Against Forced Labour, 2006, 213 pp.
English, French and Spanish

The publication provides training tools on the subject of forced labour and aims at improving the respect and protection of human rights by combating all forms of forced labour.

Practical Guide to Child Labour Reporting, 2006, 59 pp.
Arabic, English, French, Romanian, Spanish and Turkish

The guide is designed to assist government officials in putting together first and subsequent periodic reports under the Minimum Age Convention (No. 138) and the Worst Forms of Child Labour Convention (No. 182).

CD-ROM on the Use of International Law by Domestic Courts, July 2006
Albanian, Arabic, English, French and Spanish

The CD-ROM contains a compendium of court decisions in which domestic courts have relied on elements of international law to resolve the cases brought before them.
